**5pm, Staffroom**

**Term Dates:**  
**Monday 14**  
**October to**  
**Wednesday 18**  
**December**

## Welcome

Laithym

Heather

Dear Parents, Families and Whānau

Welcome to Term 4.

The children have all been enjoying the spring weather, with many taking the opportunities to play more outside. As well as sporting equipment, we have now added a giant Connect 4 to the playground for those who enjoy this pastime.

This term we have been fortunate to be able to utilise Mrs Taylor's strengths in assisting children to accelerate progress in literacy. She will be teaching a variety of students over the next term, with the aim of accentuating their progress. Mr Leon Volschenk will be in Room 3 with our year 2 students. Leon is an experienced teacher and we are very lucky to have his skills in teaching our students.

This term I will be teaching some of our more senior students who would benefit from extension work in maths.

Thank you to all those families who responded to the questionnaire about the vision for the future of Amisfield School. The board have met to discuss the outcomes and are drafting the strategic plan for 2020 to 2022. Once this is completed it will be shared with the community.

As we move forward into a modern or innovative learning environment like the rest of New Zealand, there will be changes to the ways our classrooms operate and work together, as well as to what our classrooms look like. This article may help those of you who are interested in learning more:

<https://educationcentral.co.nz/innovative-learning-environments-heres-the-evidence/>

There will be some changes happening next year, but the majority will happen once the school has the funding to make the required structural changes, which will likely be later next year or into 2021. In the meantime, classes working more collaboratively will be the first stage of this process.
