

Meet our ABC Teacher

Karen Jones

I believe the transition to school is a process that involves three distinct settings: the home, the learning centre and the school.

Our ABC programme helps make that transition a smooth and happy process for your child.

Bridging Class

In the ABC programme

All children are encouraged to feel comfortable with routines and regular events. They discover the limits and boundaries of working and playing together.

Belonging is fostered as children experiencing an environment where their play is meaningful.

They experience the stories and symbols of their own and other cultures. They are affirmed as individuals and encouraged to learn with and alongside others.

Communication is developed in an environment where they develop verbal communication skills. They discover and develop ways to be creative and expressive.

The more that you read,
the more things you will know.
The more that you learn,
the more places you'll go.
-Dr. Seuss

We offer:

ABC is:

ABC is a programme for 4 year olds who will or could be attending Amisfield School.

The children attend for up to 8 sessions before they turn 5.

The ABC Programme:

- Helps make a smooth and easy transition to school enjoyable.
- Develops children's readiness for school in literacy, numeracy, motor co-ordination and social skills.
- Shows parents how they can assist their children at home in preparation for school.

At the ABC programme we:

- ⇒ Take part in early reading, writing and math's activities.
- ⇒ Have an opportunity to meet and talk with the New Entrant teachers
- ⇒ Give parents ideas, as to how they can help their children at home.
- ⇒ Give an introduction to school.
- ⇒ Have lots of fun.
