 **Welcome**
To Our School

28 February 2019

Firstly, my apologies. I had hoped that a newsletter in hard copy would go home to every family and it didn't so some people missed the last newsletter. I will therefore repeat some of the information so bear with me for this one.

With the really hot weather over the last few days wearing hats is really necessary, so please make sure children have their school sunhats to wear. They are also encouraged to bring a water bottle to school so they can access water in the classroom.

In Room 7 we are discovering our uniqueness and understanding that we are all different in our own special way. We created this collaborative poster during the week of Waitangi week. This represents us showing how we each are one individual, but together paddling as a team, we will reach our goals as we journey on our Year 6 together.

What is the most important thing in the world?

It is the people
It is the people
It is the people

If you wish to receive the newsletter in hard copy, please fill out the form below.

WE NO LONGER SEND OUT NEWSLETTERS IN HARD COPY UNLESS REQUESTED.

The newsletter is available by email and our app.

Last year we had to have several trees cut down because they were blocking the power lines. As a result we ended up with quite a lot of potential firewood. We have let it dry over the last few months so that it would be ready for this winter.

Are you looking for firewood?

FIREWOOD

You are welcome to come and view what is available.

The purchase is by tender for the complete amount which would need to be collected from the school.

Tenders for the firewood will close on Monday 11 March at 9am.

The tender needs to have the amount, your contact details and be in a sealed envelope,

SIGNING IN AND OUT

We operate a signing-in and out system.

This will affect you if you are coming into the school to visit, spend time in a class or have lunch with your children. Health and Safety requirements are that we need to know which adults are on site at all times in case of emergency. If you come to pick up a child early you will need to sign them out in the office. This is an important protection for our children and part of our health and safety protocol.

SCHOOL DONATIONS

The Board of Trustees have set the school donation at \$30 for one child and \$50 per family. A separate notice has gone home about this change.

Keep up to date with all our happenings, including photos and timely reminders on our Facebook page or sign in on the SkoolLoopNZ app.
