Swimming
certificates

Week 8:

Kowhai

Board of Trustees
meeting
Monday 24 June
5pm

Welcome!!!

Welcome to the new students who have joined us recently! It is always exciting to meet new children and welcome them to be part of our Amisfield family.

Brodie

Welcome to another week!

I hope you are keeping up with our notices on Skooloop and Facebook as that is where our reminders, celebrations and notices are posted. This newsletter is to update you with school events, including Board of Trustees notices and school information. The class information sheets have come from parental requests about seeing more classroom information in the newsletter. Do please let me know if there are other items you would want to see, or have removed. Please remember that newsletters are mostly digital only, unless you request a hard copy from the office.

There is a notice going home this week about bike day next week and the Marae trip is the following week. Both these school-wide events are for all children in the school.

Football, basketball and netball competitions are now well underway. Thank you to those parents and family members who are helping as coaches. We appreciate your support.

In the Play Store and
App Store search
'Skool Loop NZ'
and choose our school
once installed.

Reporting

At the end of Term 2 our children in Years 4 to 8 receive a report on their progress to date.

These reports will go home on **Monday 1 July**.

There will be opportunities for you to meet with teachers in these classes from **3 to 5pm** on **Tuesday 2, Wednesday 3 and Thursday 4 July**.

To make a time go to www.schoolinterviews.co.nz and use the code

g8ukp

You can then book your time.

At the meeting the teacher can explain more about the report and what it means. Your child will be able to present their portfolio and talk about their learning. We would hope you will also be able to share your expectations for your child.

If your child is in year 1 to 3 their report and meeting are held on their birthday and then their half-year birthday. Sometimes this will fall in the middle of the year, but for some children it does not. If you would like to meet with your child's teacher you are still welcome to make a time and your child will be able to share their portfolio with you.

If you are unable to make those times because of home or work commitments please contact your child's teacher and arrange a time when you can meet that will suit you both.

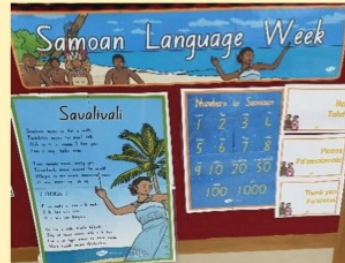

We look forward to working in partnership with you for your child's learning!
TOGETHER WE ACHIEVE

Learning highlights from Room 11

Buddy reading with Room 9

Samoa language week: Tasting chop suey, learning Samoan songs and words

Fire wise: Keeping ourselves safe

A new morning greeting routine

Algebra: Patterns

Geometry: Learning about 2d shapes

Japanese: Counting and singing a song about tulips
