Welcome!!!

Welcome to the new students who have joined us recently! It is always exciting to meet new children and welcome them to be part of our Amisfield family.

Lily

Logan, Larissa
and Jacob

Thank you to all our wonderful families who came and joined us for the swimming carnival! We appreciate your help and support as we endeavour to create opportunities for all our children to share what they have learned in the pool.

Our focus will always be about celebration and participation in these activities as they are not part of our sporting programme, but rather part of our educational programme.

Thank you also to those who have supported our teachers with encouragement as we continue to strive towards ensuring you have the best professionals teaching your children. We value our teachers, and know that you want us to be able to employ the highest quality teaching staff available for the future.

WHAT HAVE WE BEEN BUSY
DOING IN
Room 4?

Jane from St John's came and taught us how to stay safe in our own homes.

We have been out practising our bike skills on the new track.

We have been learning to name and sort different 2 dimensional shapes.

We have been down at the pools building our water confidence and skills.
