September
5pm, Staffroom

Term Dates:
Monday 22 July to
Friday 28th
September

Welcome

Matthew

Fern

4 September 2019

Dear Families and Whānau,

Our children have had a very busy couple of weeks. Rooms 7, 8, and 9 have been working hard on their science fair projects, with judging for the Year 7 and 8 students taking place on Monday the 9th of September. Parents will have the opportunity to view their children's projects at our upcoming Whānau Day a little later this term.

The junior classes are enjoying their STEM focus, using fairy tales such as Jack and the Beanstalk to learn all about science, technology, engineering and maths.

We were very proud of all the students who participated in the school cross country event. We are looking forward to being represented by those students who came in first, second or third place at the Interschool Cross Country on Thursday.

As you will have heard in the media, there has been an outbreak of measles in Auckland, with some cases reported in the Waikato area. If possible, we request that families keep us updated with their children's immunisation records. Please be aware that if your child has not been immunised against measles, they may be asked to stay away from school should the illness come to Tokoroa.

Ag day is just around the corner, with judging scheduled to take place on Friday the 18th of October on the school field. Due to M. Bovis, children may not enter calves this year, however lambs and kids are most welcome. Information on how to register is attached to this newsletter.

We have a lot of unnamed lost property that we are unable to return to its rightful owner. Please remember that all student's clothing needs to be labelled. If you are missing anything, do come into school and have a look through our lost property box.

Ngā mihi nui,
Deirdre Hearmon - Deputy Principal

"Thank you for supporting the Wattie's cans appeal, your contribution helped us collect 155 cans. These cans will be collected by the Salvation Army and will be distributed to our local community."

- The Student leadership team.

Book Fair

The Scholastic Book Fair will take place in the library from Monday 16 September until Thursday 20 September and will be open at morning tea, lunchtime and after school until 3.30 pm.

A catalogue showcasing some of the books that will be available to purchase will be sent home with students this week. Proceeds from the Book Fair help us to purchase new titles for the school library, so please consider purchasing a book or two if you can.

To celebrate, we will have a book character dress up day on Monday the 16th of September. We look forward to seeing everyone dressed up as their favourite book characters! Some prizes will be given out for the best dressed.

ROOM 1'S HIGHLIGHTS

What is Learning?

Room 1 have been unpacking learning and what types of learning have been happening in our classroom.

We recently did a classroom survey and came up with some classroom definitions about learning. Feel free to come into our learning zone and check out the awesome learning we have been doing for yourself!

Also in Today's Paper

Cross country was a SUCCESS! We ran together and made sure to cheer each other on. Even Miss Rudolph finished the race with 2 of our classmates.

STEM days have proved to be the most exciting day for us here in Room 1- we LOOOVE our STEM activities!! So far, we have explored latches, planted beans, made a pulley system, found out about what is inside our Earth, made parachutes and we still have 4 weeks to go...
