Dear Parents, Families and whānau

The weather has now settled and the children are really enjoying spending time out in the playground, with lots of interest in the bike track during break times. The scooter section has a little work to be completed around the edges but will be able to be opened in a couple of weeks.

Next week on Tuesday is the school Athletics, so we hope the weather holds for this to take place. Do remember to send your child with sunscreen protection, their hat and water if the day is hot. In the past we have found that some children are very vulnerable to sunburn if they are not adequately covered on the day.

Our new school year for 2020 will begin on Monday 3 February. The office will be open for enrolments from 28 January. Stationery lists will go home at the end of this year so you will have time to purchase the items before school starts.

Ka Pai Kai has just advised us that they will not be able to offer lunches after 17 November due to the resignation of their key staff member. We will let you know alternative arrangements once we have confirmed them.

Class lists and teachers for 2020 are unlikely to be finalised until almost the end of school, as we will have some new staff for the new school year. We will aim to let you know details before school ends.

Charisse Rudolph is leaving us at the end of the year to take up a leadership role at Tainui School. We will miss her energy and enthusiasm, but know she will continue to grow in a leadership capacity and has an exciting future ahead!

Lots of exciting things happening before the end of the year! We look forward to seeing you at some of them!
