Kia ora koutou,

Amisfield School's Learning Support Policy is currently under review. Unlike some of our other policies, this needs to be reviewed by not only the Board of Trustees, but by our staff and parents too.

If you have a spare moment, we would appreciate your feedback. You can do this on the School Docs website by following these instructions:

Go to <https://www.schooldocs.co.nz/>

In the top right hand corner select **Search for your school** highlighted in green as shown below:

Begin typing the school's name and then select Amisfield School from the drop down box.

You can then log in using the generic username **amisfield** and password **Amisfield**.

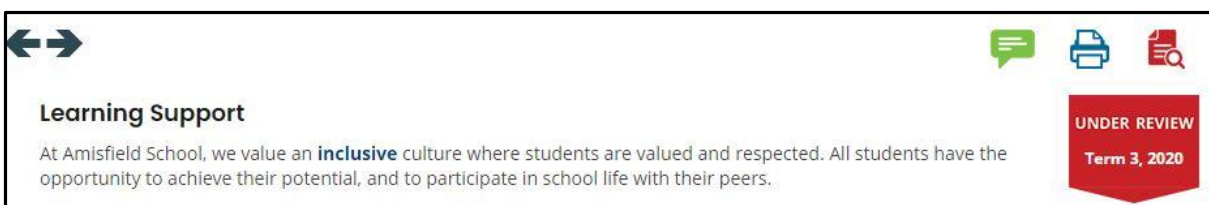

From there, select **Current Review** displayed in a green box at the top of the page.

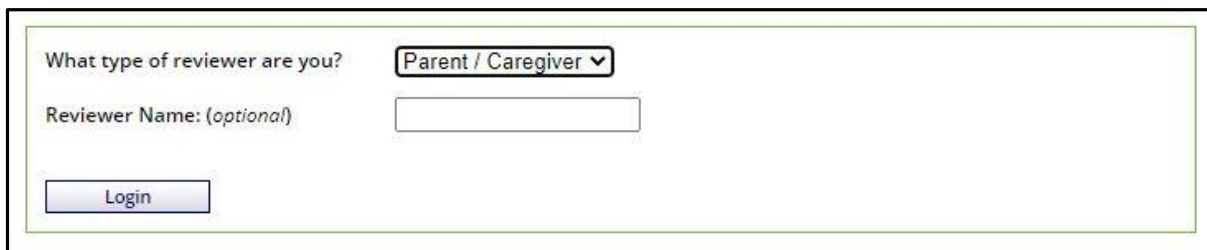

A "Review Instructions" page will appear. Under "Documents currently under review" select **Learning Support**.

After reading our Learning Support Policy, give us your review by selecting the red box to the right of the page **Under Review, Term 3 2020**.

A review log in box will appear, from which you need to select the appropriate category from the drop down box. You can choose whether or not to give your name before proceeding.

From here a box will appear, inviting you to review the current policy. Feel free to include as few or as many details as you'd like.
