Week 4:
Friday 14th August
2.20pm - Room 2

Term Dates:
Monday 20th July to
Friday 25th September

Welcome

To all our new students and their families this term

05 August 2020

Kia ora koutou,

It has been a busy start to the term for the Amisfield team. After parent teacher conferences last term, we have sent out your child's school report last week. This report will reflect their progress and growth so far this year. If you have any questions about your child's report please feel free to get in touch with their teacher.

We know that 2020 has not been a normal year with COVID-19 and lockdown. But for Amisfield it has also been significant changes in staff as well. The next two terms for Amisfield will focus on the growth and success of everyone on the team. Students, staff and our wider community.

A part of this is a new learning support initiative led by our Deputy Principal Mrs Hearmon. This involves any students who may require additional support working with our Learning Assistants and Mrs Hearmon in a space we have named the Whare Toutoko - the home of support. Students will be learning in class and in the Whare Tautoko with the aim that their achievement is accelerated.

Ngā mihi nui.
Gareth Gilmour
Principal

Winter sport update

The netball season has enjoyed a wonderful start to the 'Round Robin' competition with our Year 5-6 team 'Amisfield Stars' keen to resume their Saturday games and weekly practices. The girls should feel very proud of their team work and sportsmanship displayed on and off the courts. We enjoyed our first win for the season last Saturday against 'Whakamaru Diamonds' with a score of 14 to 1. The games have all been well supported with family and friends cheering the teams. Luckily, the weather has also been in our favour for the past two weekends.

Fantastic effort Amisfield Stars.

Soccer officially starts on Saturday the 15th August. Teams have been assigned and coaches should be in touch soon.

Friday Assemblies

Thank you to Room 1 for presenting their science learning at assembly last week. It is great to see our students sharing what they have been doing in class. Thank you to Mrs Clarence for supporting her class to confidently stand up in front of the school community to share.

This Friday Room 11 will be leading our assembly and presenting some of their learning to the school. Please come along and support our new entrant learners in what will certainly be a very cute presentation! A huge thank you to Mrs Jansen and Mrs Hopson for your work in supporting these learners to share what they are doing.

School Photos

This Thursday (6th August) we have school photos. This will run during the day and students may be in and out of classes, for class, individual and sports team photos.

The following is the schedule for school photo's day

9.15am - Junior class photos
Senior class photos

11.00am - Morning Tea

11.20am - Sports Photos

12.00pm - Sibling photos

If your child is playing winter soccer this year they will need to bring black playing shorts and long soccer socks to be worn in the photo. Soccer boots are not worn in the photo.

All basketball tops need to be back at school tomorrow. If your child is playing basketball they will need to wear shorts for the photo – preferably black and their basketball shoes

All netball dresses will need to be back at school tomorrow. If your child is playing netball they will need to pack their netball shoes.

Parent Helpers

If anyone is interested in supporting some of the learners here at Amisfield we have Mrs Jansen looking for parent help in our new entrant room. As a helper you will be helping students to engage in and work together in play based learning activities with a focus on developing oral language and social skills.
